EXPERIENCE A TASTE OF MEXICO

When it comes to loving cuisines, Indians seem to love Mexican a lot and their love for Mexican food is unparalleled. There is a reason for the specific love for Mexican cuisine. Mexican Food is a unique blend of Spanish and indigenous Mexican cuisines. It's loaded with unique ingredients, making it unlike any other food you'll find around the world. In fact, traditional Mexican food has earned recognition by the UNESCO as an intangible cultural heritage contribution to humanity.

Traditional Mexican cuisine has always been one of the main attractions captivating the hearts of its people and its visitors. From tortillas to enchiladas, to large kernels of Hominy, corn seems to be found in everything when it comes to Mexican Cuisine. You'd be amazed by how the people of Mexico are able to process this seemingly

bland ingredient into some of the most delicious and beautiful food creations.

At Madhubhan Resort & Spa, we have "The Mexican Tapas Bar", a Mexican cuisine restaurant curated by our expert chefs who create magic with Mexican dishes. We assure you the best tasting Mexican gourmet experience at The Mexican Tapas Bar. We have it all, a menu that punches well to your expectations and standards to luxuriously designed interiors.

Come explore the treasured Mexican cuisine at Madhubhan Resort & Spa and give your tastebuds the Mexican treat they deserve..
